OBJETIVE

Always face every situation doing the best I can. Take advantage of each new event focusing on learning and gaining experience. Then, use that knowledge to solve problems efficiently in future situations.

The greater the challenge, the greater the triumph. Nick Vujicic.

EXPERIENCE

TECH LEAD - SSADIGIGROUP
January 2022 – Now
Lead the developer team. Help with some issues. Develop new features using Symfony 3.0 and ReactJS in the e-commerce platforms.
